

PRESCHOOL

We have designed a balanced preschool program ready to meet the educational, social, emotional, motor and creative needs of children 3 to 5 years. Preschool children will be introduced to letters, numbers, colors, shapes and other basic concepts. Pre-Kindergarten children will be introduced to phonics, pre-writing skills, fine motor skills, reading readiness and number concepts. Story-time, music activities, and seasonal art projects will be included in the program. Throughout the year the children will be playing, learning, growing and having fun with their peers.

Our lead teacher has an Associate Degree in Early Childhood and 19 years of experience in teaching young children.

These programs are offered 3 hours a day, 5 days, 3 days or 2 days per week September through May. Full year or half year. Children must be 3 years old by September 1, 2018. All children must be able to take care of their own bathroom needs.

Each child is required to bring a brown bag lunch - lunch is not provided. **NOTE: Please do not pack any type of peanut or peanut product in your child's lunch.
