Thank you for your cooperation. Due to insurance regulations, children are not allowed in adult classes with parents. The Park District is also not responsible for children left unsupervised while a parent attends a class.

Information About Insurance
The park district is committed to conducting its recreation programs and activities in the safest manner possible. Participants and parents or guardians registering their children in recreation programs must recognize that there is an inherent risk of injury when choosing to participate in recreation activities. The park district continually strives to reduce such risks and insists that all participants follow safety rules and instructions. Please recognize that the park district does not carry medical accident insurance for injuries sustained in its programs. The cost of this insurance would make program fees prohibitive. Due to insurance regulations, children are not allowed in adult classes with parents. The Park District is also not responsible for children left unattended while a parent attends a class.

Child Pick-Up Policy
To insure the safety of the children, we ask you to drop off and pick up your child(ren) promptly when classes are over. Also, please instruct your child(ren) to wait inside the building for you when class is over. Instructors/Coaches will not allow child(ren) under 10 years of age to leave without an adult or older sibling. Children, whose parents fail to pick them up before a specified time, will be taken to the office until a parent arrives. If a child is not picked up within 10 minutes, the park district will contact the child’s emergency phone number. If the park district cannot reach anyone, the child will be held until closing time or for a maximum of two hours, whichever comes first. There will be a $5.00 late fee per child assessed for every 10 minutes you are late picking up your child(ren) after class. All fees must be paid in cash before your child can continue in the class or register for any future classes. If no one can be contacted at closing time of the building, or by the maximum time limit of two hours, the police will be contacted and your child will be taken into protective custody until a parent or guardian can be notified. Once under police jurisdiction, the park district is not responsible for any legal ramifications. If you are late and the building is closed, and you are unable to reach park district staff:
1. Contact the people on your emergency form to verify whether or not any of them have your child.
2. Call the police (708-598-1313) if you cannot locate your child. More than two late pick-ups may result in your child being dropped from the program. No refund will be given.

The Skate Park will be closed in 2020 due to renovations.

**WAIVER & RELEASE IMPORTANT INFORMATION**

The Hickory Hills Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce risks and asks that all participants follow safety rules and instructions that are designed to protect the participant’s safety. However, participants and parents/guardians of minors registering for a program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities or programs. You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

**WARNING OF RISK**

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor recreational activities exist. In this regard, it must be recognized that it is impossible for the Hickory Hills Park District to guarantee absolute safety.

**WAIVER & RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK**

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity (including transportation services, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Hickory Hills Park District, including its officers, officials, agents, volunteers and employees. By signing this waiver, I hereby grant permission for any pictures taken of participants to be used for publicity or in brochures related to the programs of the Hickory Hills Park District.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering via fax, my facsimile signature shall substitute for and have the same legal effect as an original form signature. If registering a minor participant, I further attest that I have read the above to my minor child/ward.
