

SUMMER DANCE CAMP 13

Come join us for our summer dance camp! This is a perfect opportunity for your beginner student to get a feel of our program, or a great add on for a returning student to improve his/her skills. **Location:** Krueger Park Recreation Center, 9100 S. 88th Ave.

Pre-Ballet: These dancers will be learning the basic terminology of ballet. This class is recommended for young children, and children that have not been in the program before.

Ballet: Recommended for those who have previously participated in the program. We will move into learning more advanced concepts and skills of ballet.

Jazz: Offers an excellent workout, which improves flexibility, muscle strength and coordination. Dancers will be learning new skills and concepts.

Hip-Hop: Dancers will be learning the style of hip hop with a variety of movements combined into one.

Poms: Poms dance has gained popularity in recent years throughout the dance community. In this class students will learn the skill of dancing to entertain and pump-up an audience. This high energy class involves strong arm movements, turns, jumps, and leaps set to fast paced music. (All Poms classes will have a brief performance at the National Night Out concert on August 6)

Jumps, Leaps, Turns, & Tricks: In this class you will focus on learning jumps, leaps, turns, and even a few tricks to impress your friends and family. This class will increase your flexibility, strength, endurance, and give you that extra edge you need. Emphasis is placed on teaching the proper building blocks while having fun as well! (Students under 12 allowed with instructor permission) ****Anyone over the age of 11 who is interested in taking summer classes (other than Jumps, Leaps, Turns, & Tricks) please see Miss Tammy in the office.**
