PRE-BALLET (Ages 3 - 5 Years): In this level we focus on dance and rhythm using exercises that enable the child to discover musicality and creative movement. We will also concentrate on the beginnings of ballet such as skips, gallops, walks, plies, port de bras, and attention to clean and consistent footwork. **BALLET (Ages 5 & Up):** In these levels we use floor exercises that promote coordination, strength and flexibility. As the levels increase additional focus will be placed on the following ballet technique: proper body placement and carriage of the arms and head, free movement, jumps, and traveling across the floor. It is also important that a student learns how to feel and correctly utilize the center core of their body which is the basis of balance and strength in dance. Higher level students should understand advanced concepts of ballet such as placement and alignment of the body, clean footwork, positions of arms and feet, and correct muscle use. The training and expectations, both technical and behavioral, intensifies.

POINTE (Instructor Permission): Students in ballet ready to start pointe classes will be allowed on pointe only at the discretion of the teacher. The teacher must be sure the child has strong ankles, feet, and center core. Pointe work takes a great deal of strength and focus and should only be taken by students willing to apply these concepts in class.

LYRICAL (Levels 3 & Up): Lyrical can be slow or fast but nonetheless it is style of dance that is a cross between Ballet, Jazz, and Modern dance, dependent on the lyrics of the music. Lyrical steps include reaches, kicks, extensions, leaps, jumps, turns, as well as fouette.

TAP (Ages 5 & up): Children will have fun learning basic tap steps emphasizing basic motor control and rhythmic concepts. Higher level students will progressively build upon fundamental tap techniques arranged in combinations and performed in the recital. Students will improve the speed and articulation of their footwork in these lev-

els. They will demonstrate ability to dance with equal emphasis on the musicality, posture, and sounds.

JAZZ (Ages 5 & up): This is a high-energy dance class, which develops flexibility, rhythm, extension, balance, speed and strong movement in dancers, preparing them for a lifetime of dancing. Students who continue in jazz classes build upon the movements and technique that students have already learned.

HIP-HOP (Ages 5 & up): Students will learn different hip-hop techniques. We will use the latest sounds in R&B, alternative rock, acoustic, and pop music.

POMS: All poms teams will be performing at the Fall Festival & Children's Christmas Party, along with 4 park district competitions (3 regular and 1 state). There is an additional fee for competitions. Poms girls are also included in the annual recital. **Since Poms is a competing team every child must take at least one additional class. i.e. jazz, ballet, or hip hop. You cannot take just Poms.** **MINI DIVISION (K - 2nd):** They will be learning performance skills and dance techniques with pom arms and jazz incorporated combos and routines. **JUNIOR DIVISION (3rd - 5th):** The girls will gain performance skills and pom techniques along with jazz techniques. **VARSITY DIVISION (6th & Up):** These girls will learn a variety of advanced skills to help them improve their performance, pom, and overall dance skills to further themselves in junior high and high school dance teams.

TECHNIQUE: This class consists of going back to the basics of dance. The class hopes to improve technique in all steps and styles of dance including Ballet, Jazz, Pointe, and Lyrical. This class not only practices kicks, jumps, leaps, turning leaps, and turns but it will also use the Ballet barre to improve the basic technique mechanics needed to perform every dance step as well as improve flexibility to improve jumps, leaps, and kicks. This is not a recital class.

HHPD PERFORMANCE TEAM

A performance dancer will be able to take part in the following activities depending on your own schedule and commitment. In the past HHPD dancers have performed at Great America, Disney World, Disneyland, the children's division of the Joffrey Nutcracker, and Dance Chicago.

Required & Optional Performances: Due to COVID-19 we do not know if we will have any outside performances. We will still have the performance team.

In order to be on our performance team it is required that you take at least one other class (ballet, lyrical, jazz, hip hop, or technique) with us. You cannot take just performance.

IMPORTANT DANCE INFORMATION:

*** If you were in classes last year, sign up for the same class this year. No one is moving.**

* If you have never danced with us before please speak with Miss Tammy or Miss Liz for placement.

* Upon registration you will need to sign off on the parent/student handbook. In this handbook you will find all of the important information needed regarding the dance program, from conduct to additional costs to spring

recital costume fees, recital ticket fees, dates, and times. Depending on COVID-19, there may not be a recital.

* Please make sure the office has an e-mail address on file. This is the only way to stay updated with important information about your child's class. We have over 200 households in our classes, we are unable to call everyone. All important information is also put on our web site, so check it often.

* No Refunds once dance begins, even for medical reasons.

* No snow days will be made up, however in event of a snow day we may offer virtual classes.

* Register early! We can only have a max of 12 students in a class. The Park District cannot save a spot in any class for any reason.

* Face masks must be worn when social distancing cannot be done.

* Due to COVID-19 the dancer will have an option to be in person or virtual. You will need to decide which you would like to do, and let us know when you register. This will be in effect until at least the end of December. At that time we will re-evaluate what our options are. We may also hold a virtual class for everyone depending on weather and COVID-19.

* Classes will be held at Krueger Park for the month of September & October 1st, 2nd, & 3rd. The remainder of the classes will be held at the Cynthia Neal Center.

If you see vandalism occurring in the parks, please contact the police department at 708-598-1313. Thank you for your cooperation.

Due to insurance regulations, children are not allowed in adult classes with parents. The Park District is also not responsible for children left unsupervised while a parent attends a class.

INFORMATION ABOUT INSURANCE

The park district is committed to conducting its recreation programs and activities in the safest manner possible. Participants and parents or guardians registering their children in recreation programs must recognize that there is an inherent risk of injury when choosing to participate in recreation activities. The park district continually strives to reduce such risks and insists that all participants follow safety rules and instructions. Please recognize that the park district does not carry medical accident insurance for injuries sustained in its programs. The cost of this insurance would make program fees prohibitive. **Due to insurance regulations, children are not allowed in adult classes with parents. The Park District is also not responsible for children left unsupervised while a parent attends a class.**

CHILD PICK-UP POLICY

To insure the safety of the children, we ask you to drop off and pick up your child(ren) promptly when classes are over. Also, please instruct your child(ren) to wait inside the building for you when class is over. Instructors/Coaches will not allow child(ren) under 10 years of age to leave without an adult or older sibling. Children, whose parents fail to pick them up before a specified time, will be taken to the office until a parent arrives. If a child is not picked up within 10 minutes, the park district will contact the child's emergency phone number. If the park district cannot reach anyone, the child will be held until closing time or for a maximum of two hours, whichever comes first. There will be a \$5.00 late fee per child assessed for every 10 minutes you are late picking up your child(ren) after class. All fees must be paid in cash before your child can continue in the class or register for any future classes. If no one can be contacted at closing time of the building, or by the maximum time limit of two hours, the police will be contacted and your child will be taken into protective custody until a parent or guardian can be notified. Once under police jurisdiction, the park district is not responsible for any legal ramifications. If you are late and the building is closed, and you are unable to reach park district staff:

1. Contact the people on your emergency form to verify whether or not any of them have your child.
2. Call the police (708-598-1313) if you cannot locate your child. More than two late pick-ups may result in your child being dropped from the program. No refund will be given.

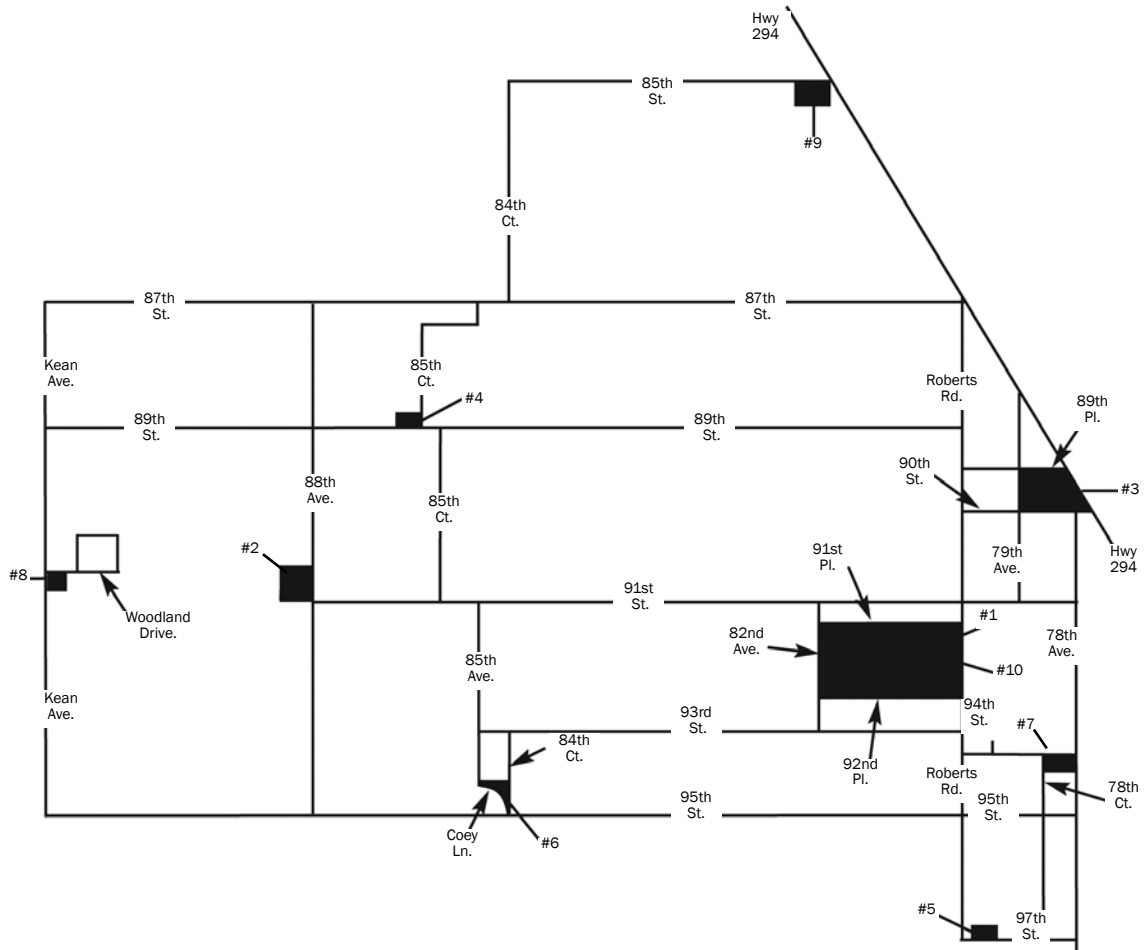

THE SKATE PARK WILL BE CLOSED IN 2020 DUE TO RENOVATIONS.

Due to the uncertainty of the Coronavirus, dates and times for all programs are subject to change or cancellation.

Temperature checks are required at both recreation centers prior to entering. Face masks must be worn at all times, except while exercising and eating.
