

January 15th, 2021

The health and safety of our participants is our utmost priority at Hickory Hills Park District. Due to the challenges of COVID-19, the following **PHASE 4** updates have been made:

- The Krueger Park Recreation Center is open for school programs, the fitness center, walking track, in-person programs, and events with capacity limitations. Temperature checks are taken as patrons enter the building. Masks are required.
- While working out, masks must be worn. No more than 10 people allowed at one time in the fitness center or indoor walking track.
- At Kasey Meadow Park, the tennis courts, basketball courts, and skate parks are closed for the winter. Playgrounds and outdoor fitness equipment are open.
- At Krueger Park, outdoor basketball courts are open weather permitting. Tennis courts are closed.
- The Cynthia Neal Center is open for in-person preschool and in-person dance class.
- All walking trails and parks are open. However, there is a NO PET ORDINANCE in effect. Refrain from bringing your pet to the park.
- All drinking fountains are closed.

We appreciate your help and support in assisting us in creating a safe environment for all who participate in Park District activities. If you have any questions or concerns, please call 708-598-1233 or email hnpd@sbcglobal.net. Updates and more are posted on hnparkdistrict.org.
