LITTLE LEARNERS' PRESCHOOL 2021/2022  
INFORMATION SHEET**

Knowing what is expected will help you with your child. Please read this BEFORE your child begins school.

**TEARS - WHAT TO DO:**

A child coming into the school for the first time may feel separation anxiety, especially if he/she sees anxiety on their parent's face. It has been our experience that these children stop crying within minutes after the parent's departure. Our advice is to give your child a smile and a kiss and tell him/her when you will return and then leave. Be sympathetic to the tears, but firm. Be assured that we are prepared for these situations and will help make the transition from home to school easier. The separation may be as hard for you as it is for your child, but prolonging the departure is much harder on your child. If your child has a problem and cries for an extended period, we will call you.

**YOUR CHILD'S NAME**

Your child will learn to write their proper name. If your child likes to be called by a nickname let the teacher know. Otherwise, teachers will use proper names.

**WHAT TIME TO DROP OFF & PICK UP YOUR CHILD**

We ask that you be prompt in dropping off your child and picking him/her up from school. It is mandatory that you escort your child into the building. If at any time someone new is picking up your child, we will need to know ahead of time. Children will not be released to anyone under the age of 18. If someone different will be picking up your child, the teacher must be notified in writing by parent/guardian. There are no exceptions. In an emergency, please phone the office and give the person's name. This will be given to the teachers. The person must show picture identification to the teacher before taking the child. The doors will open for dismissal promptly at 11:45 a.m. for am classes and 3:15 p.m. for the pm classes. If children are not picked up within 10 minutes of dismissal time, a late fee will be charged at \$5 per every 10 minutes late. If the classroom doors are closed, please see office for admittance.

**WHAT TO WEAR**

All students and staff are required to wear a face mask. We will do our best to take them outside when weather permits to get a break from wearing the masks. Remember your child is in school, dress should be comfortable! They will be learning through projects using crayons, paint, craft items, and even playing with toys on the floor. It is hard when a child wears an outfit that he/she cannot put back together after using the restroom. Please keep this in mind when choosing school clothes and shoes. Due to allergies and asthma please be cautious on how much cologne or perfume you let your child wear.

**SNACK DAY**

In the past we were able to provide snack however since we currently cannot serve from bulk, we are asking that you send your child with a simple health snack. IE goldfish, gram crackers or some fruit. We ask that you do not send anything with peanuts since we have children from time to time with this food allergy.

## **BIRTHDAY CELEBRATIONS**

We will celebrate each child's birthday at school (on the school day closest to their birthday). On this day, your child is welcome to provide the snack for their classmates. Remember it must be an individual wrap snack for them due to the COVID 19 guidelines. Please DO NOT send cupcakes or birthday cake. Also due to the board of health we can only serve prepackage food from the store, no homemade items will be allowed.

## **SCHOOL CANCELLATION**

If you are not sure if class will be held, please call the Park District office at 708-599-7337 ext 0 before 8:30 a.m. for updates and 708-598-1233 ext 0 after 8:30 a.m. for updates regarding program cancellations.

We will try to notify everyone if we canceled classes via email and/or phone. It can take some time to reach everyone by phone so please check your email or call the office if you are questioning if there will be school or not.

If school should be canceled, due to inclement weather, we will try to schedule a make up day. If we are unable to make up the actual day, the lessons & project planned for that day will be made up during a regular class session.

## **NEWSLETTER/EMAILS**

There will be a monthly newsletter to keep you informed of activities throughout the year. This newsletter will be emailed to you if you would like a hard copy to let us know. Any information that we hand out during class will be posted on the Park District Web Site. ([hhparkdistrict.org](http://hhparkdistrict.org)). We will also email you updates so please make sure you have a valid email address on file.

## **GENERAL**

Please do not allow your child to bring any toys, candy, or gum to school. You will always be notified of class celebrations in advance; so, you will know what your child needs to bring to help celebrate with his/her classmates. If you do not wish your child to participate in our holiday celebrations, we will understand if you keep your child at home. We hope you will understand that the teachers **cannot** pass out birthday invitations to children during class time. If you wish, you and your child may pass them out before or after class.
