

Public Input Meeting Doug Osborne Park

Saturday, May 14, 2 p.m. at Doug Osborne Park

Monday, May 16, 5:30 p.m. at the Cynthia Neal Center (also rain date/location for May 14)

The park district is conducting public input meetings to discuss the renovation of Doug Osborne Park. Also, the district is applying for an Illinois Department of Natural Resources OSLAD grant and renovating Osborne Park which currently includes a playground play features, swings, benches and picnic seating. We would like to hear what you like and dislike about the park as well as additional amenities you would like to see at the park. Children will have the opportunity to become an Osborne Park Pal by attending the public input meeting and sharing their thoughts while looking at new playground equipment. The Osborne Park Pals will also be invited to attend the selection of the playground equipment once bids are presented to the park district in 2023. The first 35 children to attend the public meeting on May 14th will receive an Osborne Park Pal t-shirt and can sign up for construction updates. Stay awhile for refreshments and enjoy some play time at the park. If it rains on May 14th, the rain date/location is May 16, 5:30 p.m. at the CN Center, or you can send comments and suggestions to hphpd@sbcglobal.net. Osborne Park is located at 9400 S. 84th Ct and the Cynthia Neal Center is located at 8047 W. 91st Place, Hickory Hills, IL. Children are welcome to attend with their parents/adult.

**Hey kids, stop by for a
free t-shirt.**
