Uniforms and belt-testing are options available through the ISKC instructor for an additional fee.

PRE-KARATE (4-6 Years) • In our Pre-Karate safety classes, young children develop flexibility, strength, and coordination in fun, yet disciplined activities. This program is specifically designed for growing minds and bodies to enhance memory and agility. Watch your child's confidence blossom and their skills improve.

YOUTH KARATE (7-14 Years) • ISKC's Youth karate classes will put children in touch with their bodies and offers a good mix of strength training, with cardiovascular and flexibility exercises. Children increase their coordination, agility and poise, as well as learn lasting personal safety skills. They also benefit from the mental stimulation of learning the choreographed moves of the kata and the discipline of conforming to the class rules.

ADULT KARATE (15 Years & Older) • Our adult classes release tension, develop total body fitness, and build stamina and overall productivity! In addition to self-defense skills, karate increases flexibility, cardiovascular endurance, and muscle tone, while improving core strength.
