

Dear Parents,

Here is an update for the 2024 HHPD Competitive Season. Due to the IPDDC competitions we are going to have to make some changes in the Professional Competitions. Thank you for your patience and flexibility. Please be aware that I have registered our dances for all the following competitions. In addition, Hawaii trip is cancelled due to lack of down payments. I will be looking into a Nationals or a closer to home trip in the future.

Your dancer will compete in three regional competitions this year. **The companies do not give the exact day and time until one week before competition.** Your payment is due by March 15, 2023, for all regionals. If you have paid in full earlier this year, I will be giving you a refund via Zelle for the 4<sup>th</sup> competition. If you have not paid in full by March 15, 2024, there will be a 10.00 late fee per competition. Your fiscal responsibility to the competition team is to pay for all regionals unless your dancer is unable to perform due to a medical emergency and a doctor's note will need to be provided. Once a doctor's note is received, the company gives your dancer credit for their competition for next year's competition season.
