## **Nashville Electric Company**

*Nashville Electric Company is the down home country music ENERGY you've been searching for and delivers a performance as no other country band can. Like comfort food and moonshine - it just feels right!*

*Singing along, smiling, boot scootin', and having the time of your life.....the days and times that inspired you to love country music. Good friends, and fun tunes from back then as well as today - that's what it's all about!*

*So whether it's dancing, clapping, or raising your hands in the air, Nashville Electric Company will take you there!*
