Doug Osborne Park Construction

Doug Osborne Park will be under construction in the summer of 2024. Doug Osborne Park is an essential neighborhood park that needs an update since the last renovation was in 2002. Osborne is located at 84th Ct. and Coey Lane, off of 95th Street. The park drawing shows features to the right of this page and includes a new playground, swings, benches, a bike rack, shelter, a game table, a spinner, painted games such as Hopscotch, and an outdoor fitness area. Residents attended a focus group in the summer of 2022 to assist with gathering input of what amenities should be included in the park so we are very excited to see the project moving forward. This is an Open Space Lands Acquisition and Development grant awarded by the Illinois Department of Natural Resources in the amount of \$241,700. This is a 50% matching grant so the entire cost of this project will be approximately \$483,400.

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor recreational activities exist. In this regard, it must be recognized that it is impossible for the Hickory Hills Park District to guarantee absolute safety.

INFORMATION ABOUT INSURANCE

The park district is committed to conducting its recreation programs and activities in the safest manner possible. Participants and parents or guardians registering their children in recreation programs must recognize that there is an inherent risk of injury when choosing to participate in recreation activities. The park district continually strives to reduce such risks and insists that all participants follow safety rules and instructions. Please recognize that the park district does not carry medical accident insurance for injuries sustained in its programs. The cost of this insurance would make program fees prohibitive.

Due to insurance regulations, children are not allowed in adult classes with parents. The Park District is also not responsible for children left unsupervised while a parent attends a class.

CHILD PICK-UP POLICY

To insure the safety of the children, we ask you to drop off and pick up your child(ren) promptly when classes are over. Also, please instruct your child(ren) to wait inside the building for you when class is over. Instructors/Coaches will not allow child(ren) under 10 years of age to leave without an adult or older sibling. Children, whose parents fail to pick them up before a specified time, will be taken to the office until a parent arrives. If a child is not picked up within 10 minutes, the park district will contact the child's emergency phone number. If the park district cannot reach anyone, the child will be held until closing time or for a maximum of two hours, whichever comes first. There will be a \$5.00 late fee per child assessed for every 10 minutes you are late picking up your child(ren) after class. All fees must be paid in cash before your child can continue in the class or register for any future classes. If no one can be contacted at closing time of the building, or by the maximum time limit of two hours, the police will be contacted and your child will be taken into protective custody until a parent or guardian can be notified. Once under police jurisdiction, the park district is not responsible for any legal ramifications. If you are late and the building is closed, and you are unable to reach park district staff:

1. Contact the people on your emergency form to verify whether or not any of them have your child.
 2. Call the police (708-598-1313) if you cannot locate your child.
- More than two late pick-ups may result in your child being dropped from the program. No refund will be given.

If you see vandalism occurring in the parks, please contact the police department at 708-598-1313. The park district is committed to providing a safe place for recreational activities and would prefer to enhance the quality of the parks rather than replace vandalized equipment. Thank you for your support in our efforts to provide the residents of the park district with quality park sites and facilities.

AMERICANS WITH DISABILITIES ACT (ADA)

Hickory Hills Park District complies with the ADA and will make reasonable accommodations to enable people with disabilities to participate in and enjoy recreation programs. If you have any questions about the park district's compliance, please call us at 708-598-1233. Special accommodations should be made a minimum of 3 weeks before the start date of the program during the registration process.

PARENTS NOTE

Parents are asked not to attend their child's class unless invited by the instructor. Our instructors welcome the opportunity to discuss concerns with parents before or after class, time permitting. We have found that parents and/or siblings distract from the quality of instruction. It is of equal importance that children have quality leisure time with their peers. Thank you for your cooperation.

Due to insurance regulations, children are not allowed in adult classes with parents. The Park District is also not responsible for children left unsupervised while a parent attends a class.
